

Radiopharmaceuticals: Chemistry to Precision Medicine

CME

Under the aegis of
Indian College of Nuclear Medicine

Organized

by

Department of Nuclear Medicine

PGIMER, Chandigarh

About CME

The CME will be a premier gathering that brings together experts and professionals from Nuclear Medicine to explore and discuss the latest advancements, trends, and challenges in radiopharmacy. It promises an engaging lineup of keynote speakers, interactive sessions, and open Q/A session that aim to foster collaboration and knowledge exchange.
